About the Annual OCD Conference

The IOCDF’s Annual OCD Conference is the largest national event focused solely on obsessive compulsive disorder (OCD) and related disorders.

Now in its 29th year, this extraordinary event draws attendees from across the U.S. and the world, including licensed clinicians, researchers, and people of all ages who are impacted by OCD and related disorders, such as body dysmorphic disorder (BDD) and hoarding disorder (HD), to learn about the newest research and treatments.

It’s more than just a conference! OCDcon is a unique opportunity to engage quality leads, grow your network, and amplify your brand at a highly trusted educational and community-building event.

WHO ARE WE?

The International OCD Foundation (IOCDF) is a donor-supported mental health nonprofit with the mission to ensure that no one affected by OCD and related disorders suffers alone. Our community provides help, healing, and hope. The IOCDF provides up-to-date education and resources, strengthens community engagement, delivers quality professional training, and advances groundbreaking research.

Our vision is that everyone impacted by OCD and related disorders has immediate access to effective treatment and support. Your support can help make this vision a reality.

“[Biohaven] had a booth at the Conference, and we were visited by so many different types of attendees: persons with OCD, their families, researchers, and clinicians. I learned more about OCD from these interactions than I have learned anywhere else, especially by speaking with patients and their families.”

— Deborah Price, MLS
Clinical Trial Lead, Biohaven Pharmaceuticals

Your advertisement will be displayed from the moment we receive the artwork through the Conference weekend in July, making these banners the advertising opportunity with the longest-running visibility we offer.

The Conference website receives more than 26,000 page views per month during the registration season, with people returning to the website for updates on Conference program additions, the full schedule of events, and travel/hotel information.

In addition to the onsite printed Program Guide, most attendees download and utilize the official Conference Mobile App throughout the weekend to access the schedule, speaker list, hotel maps, and discussion opportunities to connect with other attendees.

We have two (2) branding opportunities on the mobile app:

- **Static Image with Hyperlink** 1776 x 1224 pixels • $350 • (3 available)
  
  Showcase your organization with a static image advertisement of your design with a hyperlink to a tracked link URL of your choice.

- **Embedded Video** • $350 • (4 available)
  
  Educate attendees about the services you provide by embedding a promotional video of any length (hosted on Youtube, Wistia, or Vimeo) that plays both in-app and has a link to the video’s URL, allowing attendees to watch more of your content on your YouTube, Wistia, or Vimeo pages.

**Program Guide**

- **Full Page** • 7.5” X 9.5” (300 DPI) • $950
- **Half Page** • 7.5” X 4.75” (300 DPI) • $700
- **1/4 Page** • 3.25” X 4.75” (300 DPI) • $500 (15% off for Institutional Members)

Gain brand visibility with a full-color ad in the on-site Program Guide. Distributed to every Conference attendee (2,000+ print distribution), it includes the full Conference schedule and presentation descriptions, sponsor and exhibitor information, the Conference hotel map, and more! Plus, the Program Guide is sent by request to members of the OCD community, advocacy groups, healthcare associations, and others throughout the year.

**Tote Bag Promo Item**

- **$750 + shipping for 2,000 units of your flyer or promo items** to the hotel before the Conference

  Provide a piece of marketing collateral to be included in the attendee promotional tote bags — one of our most highly anticipated Conference giveaways. Every attendee receives a tote bag at check-in, so your material is guaranteed to reach the entire Conference population.

  Supply a branded pen or notepad for attendees to take notes throughout the weekend, or include something unique for attendees to take home, like branded sunglasses!

  *Up to 2,000 units requested. IOCDF must approve all items before printing and/or shipping.

Acceptance of Application for Exhibit Space and Review of Activities: The International OCD Foundation (IOCDF) reserves the right to accept or refuse the Application and Contract for Exhibit Space for any exhibitor and, once an exhibit is on the floor, to require its modification or removal, whenever the IOCDF considers such exhibit to be detrimental to its mission, professional, or ethical interests or originates from any organization whose displayed products do not meet the professional standards of the IOCDF. The IOCDF may review the exhibit floor activities of exhibitors at any time. The IOCDF reserves the right to decline or prohibit any exhibit, or part of any exhibit, or prohibit or restrict any activity or conduct within the exhibit area that, in its opinion, is not appropriate or would cause the IOCDF to violate its contract with the Conference hotel (Hyatt Regency Orlando). In the event of such restriction or eviction, the IOCDF is not liable for any refund to the exhibitor. Exhibitors shall not assign or sublet the space purchased, or permit any other party to exhibit therein.

Payment: All exhibiting and/or advertising invoices must have been paid in full to the IOCDF within 30 days of the invoice issue date and no later than the application deadline of Monday, May 20, 2024. If an exhibitor fails to pay the IOCDF for the full amount of the exhibit booth by whichever date comes first, the booth space may be released to another waiting party.

Cancellations: The IOCDF must receive written requests for cancellations of exhibit space by Monday, May 20, 2024 to be refunded in full. Any cancellations made after this date are NON-REFUNDABLE and NON-TRANSFERABLE. If the Annual OCD Conference must be cancelled due to an emergency, exhibitors may either request a refund or sublet the space purchased, or permit any other party to exhibit therein.

Booth Assignment: Exhibitor applications are accepted on a rolling basis. Exhibitors will be asked to offer 1st, 2nd, and 3rd choice booth placement in the order their contract is signed, with the exception of Conference sponsors who have priority placement. Please note that the IOCDF reserves the right to adjust the Exhibit Hall floor plan or organizations’ booth assignments in the unlikely event that such changes should become necessary.

Defacing Property: No part of an exhibit, or signs relating thereto, may be taped, nailed, tacked, stapled, pasted, or otherwise fastened to walls, doors, ceilings, painted surfaces, or columns in the hotel. The use of adhesive-backed decals or similar items also is prohibited. Damages to the Exhibit Hall resulting from failure to observe these rules will be billed to the exhibitor.

Booth Support Passes: Each exhibit booth includes one (1) complimentary Booth Support Pass for marketing personnel manning the booth throughout the weekend. IOCDF Institutional Members received two (2) complimentary Booth Support Passes with their booth purchase. An additional Booth Support Pass may be purchased for $200 for personnel manning the booth. If for some reason your Exhibit Booth requires more than two (2) staff manning the booth, please contact conference@iocdf.org. Please note: The Booth Support Passes are intended for booth personnel manning the exhibit booth throughout the Conference, both during sessions and breaks. Therefore, those staff utilizing the Booth Support Passes are not eligible to receive CE/CME credits. If an exhibiting organization has staff members who are mental health professionals interested in attending one or more days of the Conference and earning CE/CME credit, they must register at the Professional level at iocdf.org/ocdcon when registration opens in March 2024.

Exhibit Booth Staffing: Exhibit booths should be staffed by at least one staff member during Exhibit Hall peak traffic times, including breakfast, breaks, and the Researcher and Exhibitor Meet & Greet. It is highly recommended that a staff member is at the exhibit booth during all other exhibit hours, but it is not required. The IOCDF is not responsible for the loss or theft of items from exhibit booths in the exhibit area at any time, whether the exhibit booth is staffed or unstaffed.
Room Reservations: Exhibitors are responsible for making their own hotel reservations. Hotel reservations should be made directly with the Conference hotel, the Hyatt Regency Orlando. The IOCDF has secured a discounted rate of $205/night (plus taxes and fees) at the Conference hotel for all attendees and exhibitors. Access to the discounted hotel room block will be granted via the online Exhibitor Kit once exhibit booth payment is received beginning when the block opens in late March 2024. If reserving over the phone, make sure to reference the “International OCD Foundation” when booking your room in order to receive this special discounted rate.

Direct Sales: The IOCDF must approve all items an exhibitor wishes to sell at their Exhibit Booth during the Annual OCD Conference. IOCDF reserves the right to decline or prohibit the sale of any products by an exhibitor that, in its opinion, is not appropriate or would cause the IOCDF to be in violation of its contract with the Conference hotel (Hyatt Regency Orlando). To get a product approved for sale, email Julie Oliver at joliver@iocdf.org. See below for restrictions on Contests, Lotteries, and Raffles.

Contests, Lotteries, and Raffles: If an exhibitor wishes to hold a contest of any kind at its exhibit booth during exhibit hours, written details of the wishes to hold a contest of any kind at its exhibit booth must receive permission in writing from the IOCDF. Neither the hotel nor the IOCDF will be liable for any contests, lotteries, or raffles or for any losses that may result from an exhibitor’s participation in such contests, lotteries, or raffles.

Food: Food from outside the hotel (aside from wrapped candy for giveaways) is not allowed at the exhibit tables. Exhibitors are encouraged to eat breakfast, provided by the IOCDF for attendees and exhibitors in the Exhibit Hall, and lunch and dinner should be consumed in hotel guest rooms or nearby restaurants/cafes.

Research Collection Policy: All exhibitors planning on conducting any research or data collection at their exhibit booth must receive permission in writing from the IOCDF. Please email Julie Oliver at joliver@iocdf.org to request permission and sign the Research Data Collection Policy Contract. Any exhibitor found to be conducting research without prior approval will be expelled from the Conference.

Security: Neither the hotel nor the IOCDF will provide security personnel in the Exhibit Hall during move-in, set-up, breakdown, and exhibit hours. Exhibitors will be responsible for securing items displayed in the Exhibit Hall. Exhibitors hereby expressly assume responsibility for injury or damage to persons, property, or things occurring within the exhibit space assigned to each exhibitor in accordance with the terms of this contract.

Cleaning: All booth areas and furnishings are provided in a clean and orderly state on the first day of setup for your area of the Exhibit Hall. However, the exhibitor is responsible for any cleaning services required between the initial booth materials delivery and the Exhibit Hall opening.

General: All matters and questions not covered by these terms and conditions are subject to the decision and discretion of the IOCDF.

Advertiser Agreement: All advertisers at the 29th Annual OCD Conference must agree to the following terms and conditions. The Advertising Organization hereby agrees to provide financial support for the 29th Annual OCD Conference, being held at the Hyatt Regency Orlando, July 25-28, 2024. As a Conference advertiser, the organization agrees to submit payment and provide artwork for digital and print media in a timely manner and no later than the deadline of Monday, May 20, 2024. The International OCD Foundation (IOCDF) reserves the right to accept or refuse the Application and Contract for Advertising and the IOCDF reserves the right to terminate this agreement if it considers such advertising artwork to be detrimental to its mission, professional or ethical interests, or originates from any organization whose displayed products do not meet the professional standards of the IOCDF. Publication of an advertisement does not constitute endorsement or approval of a book, publication, point of view, standards of service, or opinion presented therein, by the IOCDF, and the IOCDF reserves the right to add the word “advertisement” to advertising copy.

Payment: Advertising invoices must be paid in full to the IOCDF within 30 days of the invoice issue date or by the application deadline of Monday, May 20, 2024, whichever comes first. If an advertiser fails to pay the IOCDF for the full amount of the advertisement by this date, the ad space may be released to another waiting party.

Artwork Deadline: Advertising spaces are reserved on a rolling basis, and the final deadline for reserving and submitting all advertising artwork is Monday, May 20, 2024.

Cancellations: For Program Guide and Tote Bag advertisements, the IOCDF must receive a written request for cancellations of an advertisement by Monday, May 20, 2024 in order to be refunded in full. Any cancellations made after this date are NON-REFUNDABLE and NON-TRANSFERABLE.

Program Guide Ad Requirements: The IOCDF requires all advertising artwork to be in the form of high-resolution (300dpi or higher) electronic files. The preferred format is Press Quality PDF at actual size, with visible trim lines and bleeds. Also accepted: *.JPEG, or *.TIFF files. All ads for the Program Guide should be full color (CMYK) or black and white (grayscale). Do NOT use Microsoft Word, PowerPoint, Publisher, or Excel for ads. We will charge a conversion fee of $100 for any ad that needs to be converted into a print-ready file. Paper ads will NOT be accepted.

Conference Website Ad Requirements: Website banner advertisements should be 700px x 100px (width x height) at 72 dpi resolution sent in *.JPG, *.PNG, or *.GIF format, in RGB color. The ad’s destination URL along with any UTM tracking should be supplied with artwork files.

Mobile App Ads Requirements: Video advertisements on the Mobile App must be sent via YouTube, Wistia, or Vimeo URL along with the advertising organization’s high-resolution logo image file. Image advertisements on the Mobile App must be 1776 x 1224 pixels and accompanied by the advertiser’s desired URL with an applicable UTM tracking code.

Hotel Digital Ad Requirements: Hotel digital advertisements should be 5762 x 1920h with an aspect ratio of 9:16 sent in *.JPG or *.PNG format, in RGB color.

Endorsement: The IOCDF does not endorse companies or products. Advertisement revenue directly supports our not-for-profit mission to ensure that no one affected by OCD and related disorders suffers alone. Advertisements inclusion in the Conference materials does not imply endorsement from the IOCDF and represents goods for service.
