2026 IOCDF CORPORATE MISSION PARTNERS

*Connecting your company to the movement for OCD awareness and
compassionate mental health care.*

We invite your company to champion mental health awareness year-round by becoming a Founding IOCDF Corporate Mission Partner. Your partnership will provide essential support for programs that expand access to OCD education, resources, and care.

WHY PARTNER WITH US?

OCD is a serious, often debilitating condition that can derail school, work, relationships, and everyday functioning.

The IOCDF is committed to:

- Implementing routine OCD screening
- Expanding clinician training
- Increasing affordable access to care
- Raising public awareness
- Advancing research in the field

AS A PARTNER, YOU'LL GAIN:

CREDIBILITY

Lead the conversation in mental health.

Align your brand with the leading authority on OCD and related disorders and demonstrate a genuine commitment to advancing evidence-based care.

ACCESS

Connect with a highly engaged community.

Gain authentic, year-round engagement with a global network of individuals, families, clinicians, and advocates dedicated to improving mental health outcomes.

IMPACT

Create lasting change for those affected by OCD.

Accelerate early identification, reduce systemic barriers to care, reach underserved communities, and expand access to life-saving, evidence-based treatment for millions worldwide.
