Independent Auditor's Report

To the Board of Directors and Management
International OCD Foundation, Inc.
Boston, Massachusetts

Opinion

We have audited the accompanying financial statements of International OCD Foundation, Inc. (a nonprofit Foundation), which comprised the statements of financial position as of December 31, 2025 and 2024, the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of International OCD Foundation, Inc. as of December 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of International OCD Foundation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International OCD Foundation, Inc.'s, ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International OCD Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International OCD Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

International OCD Foundation, Inc.

Notes to Financial Statements
Years Ended December 31, 2025 and 2024

Note 1 - Foundation

International OCD Foundation, Inc. (the "Foundation") is an international not-for-profit Foundation with headquarters located in Boston, Massachusetts, and has various affiliates throughout the United States. The Foundation is comprised of people with Obsessive Compulsive Disorder ("OCD") and related disorders, their families, friends, treatment providers, researchers, and other concerned individuals. The Foundation's mission is to help everyone affected by OCD and related disorders to live full and productive lives by increasing access to effective treatment, ending the stigma associated with mental health issues, and fostering a community for those affected by OCD and the professionals who treat them. Major sources of revenue are derived from contributions and grants, membership dues, and conferences.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Accordingly, revenues and support are recognized when earned and expenses are recognized when incurred.

Credit Losses

In June 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-13 (ASC Topic 326) Financial Instruments—Credit Losses, as clarified in various other ASU's subsequently issued by the FASB. The guidance requires the application of a current expected credit loss model, which is a new impairment model based on expected losses, and certain additional qualitative and quantitative disclosures.

Basis of Presentation

The Foundation has presented its financial statements in accordance with accounting principles generally accepted in the United States of America for not-for-profit Foundations. Under this guidance, the Foundation is required to classify resources for reporting purposes on the existence or absence of donor-imposed restrictions. This is accomplished by classification of fund balances into two classes of net assets: without donor restrictions and with donor restrictions.

Descriptions of the two net asset categories and the types of transactions affecting each category is as follows:

Net Assets without Donor Restrictions

Represent amounts not restricted for identified purposes by donors or grantors. These amounts are available to be used for the general purposes of the Foundation.

Net Assets with Donor Restrictions

Net assets whose use is limited by law or donor-imposed stipulations that will either expire with the passage of time or be fulfilled by the actions of the Foundation. These include amounts that have been restricted by donors to be maintained by the Foundation in perpetuity and are comprised of investments and amounts held by Charitable trust funds for the benefit of the Foundation.

International OCD Foundation, Inc.

Notes to Financial Statements
Years Ended December 31, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocations of Expenses

The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis. The expenses have been allocated on the basis of estimated time and effort, as well as other reasonable allocation methods.

Cash, Cash Equivalents, and Restricted Cash

For purposes of presentation in the statements of cash flows, cash and cash equivalents are defined as cash and any highly liquid investments that have an original maturity of three months or less. Cash subjected to financial institution-imposed restrictions is separately identified in the statement of financial positions as restricted cash and cash equivalents.

Leases

The Foundation accounts for leases under ASC 842, Leases. Under this new guidance, at the lease commencement date, a lessee recognizes a right-of-use asset ("ROU asset") and lease liability, which is initially measured at the present value of the future lease payments. For statement of activities purposes, a dual model is used for lessees, requiring leases to be classified as either operating or finance leases. Under the operating lease model, lease expense is recognized on a straight-line basis over the lease term. Under the finance lease model, interest on the lease liability is recognized separately from amortization of the right-of-use asset.

The Foundation made an accounting policy election to not recognize ROU assets and lease liabilities on the statement of financial position for those leases with initial terms of one year or less and instead such lease obligations will be expensed on a straight-line basis over the lease term.

The Foundation determines if a contract contains a lease at inception based on the right to control the use of an identified asset and the right to obtain substantially all of the economic benefits from the use of that identified asset. The Foundation generally does not have access to the rate implicit in leases, therefore it utilizes risk free rate as the discount rate of operating lease liabilities on the statement of financial position.

The Foundation does not have significant restrictions or covenants in its lease agreement, and residual value guarantees are generally not included within its operating lease. As of December 31, 2025 and 2024, the Foundation did not have any material additional operating leases that have not yet commenced.

International OCD Foundation, Inc.

Notes to Financial Statements
Years Ended December 31, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies (continued)

Leases (continued)

The Foundation's operating lease is for an operating facility located in Massachusetts. The Foundation's lease may include options to extend or terminate the lease at its discretion, as applicable. Where renewal or termination options are reasonably likely to be exercised, The Foundation recognizes the option as part of the ROU asset and lease liability.

See Note 10 for additional information regarding the Foundation's lease.

Receivables and Allowance for Credit Losses

The Foundation has two types of receivables: accounts receivable and contributions receivable. Accounts receivable are dues from membership, conferences, behavior therapy institute fees, and miscellaneous services, and contributions receivable consist of donations and grants from private organizations and individuals.

The Foundation records unconditional promises to give that are expected to be collected within approximately one year at net realizable value. Material unconditional promises to give expected to be collected in future periods are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the assets. In subsequent years, amortization of the discounts is included in contribution revenue in the statement of activities. However, the Foundation does not believe the effects of discounting are material to the financial statements.

The Foundation estimates the current expected credit losses by applying internally developed loss rates to all outstanding receivable balances by aging category. Receivables are written off when deemed uncollectable. The Foundation does not believe an allowance for uncollectable receivables is necessary as of December 31, 2025 and 2024.

Contributions receivable are comprised of the following as of December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Contributions receivable, net of long-term portion	\$ 922,896	\$ 502,771
Contributions receivable, long-term	<u>575,000</u>	<u>200,000</u>
Total contributions receivable	<u>\$ 1,497,896</u>	<u>\$ 702,771</u>

International OCD Foundation, Inc.

Notes to Financial Statements

Years Ended December 31, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies (continued)

Investments Valuation and Income Recognition

Investments in equity securities with readily determinable fair values are measured at fair value in the statements of financial position. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

Investments in equity securities with readily determinable fair values are measured at fair value in the statement of financial position. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

Investments in non-marketable investments (alternative investments as described in the American Institute of Certified Public Accountants' document, *A Practice Guide for Auditors: Alternative Investments – Audit Consideration*) are generally carried at net asset value ("NAV") as estimated by management based on fair values provided by external investment managers. Because these investments are not readily marketable, the estimated value is subject to uncertainty and, therefore, may differ from the value that would have been used had a ready market for the investments existed, and such difference could be material. The amount of gain or loss associated with these investments is reflected in the accompanying financial statements based on information provided by the management of the funds. The Foundation believes that the carrying amount of alternative investments is a reasonable estimate of the fair values as of December 31, 2025 and 2024.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains or losses on the sale of investments are calculated using the specific-identification method. Unrealized gains and losses represent the change in the fair value of the individual investments for the year, or since the acquisition date, if acquired during the year.

Investment income and realized and unrealized gains and losses from investments without donor restrictions are reported as non-operating gains and losses. Investment income and investment gains and losses (realized and unrealized) with donor restrictions are reported as additions to the appropriate donor-restricted funds.

Investments are periodically reviewed for impairment based upon criteria that include the extent to which cost exceeds market value, the duration of the market decline, and specific issuer financial conditions. Impairments that are determined to be other than temporary are recognized as realized losses.

International OCD Foundation, Inc.

Note 2 - Summary of Significant Accounting Policies (continued)

Fair Value Measurement

The Foundation's policy establishes a framework for measuring fair value and expands disclosures about fair value measurements by providing a consistent definition of fair value which focuses on an exit price which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The policy also prioritizes, within the measurement of fair value, the use of market-based information over entity specific information and establishes a three-level hierarchy for fair value measurements based on the nature of inputs used in the valuation of an asset or liability as of the measurement date.

Level 1 – Pricing inputs are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Pricing inputs are quoted prices for similar investments, or inputs that are observable, either directly or indirectly, for substantially the full term through corroboration with observable market data. The Foundation does not have any instruments meeting the criteria of Level 2 inputs.

Level 3 – Pricing inputs include unobservable inputs that reflect the reporting entity's own presumptions about the assumptions market participants would use in pricing the asset or liability, which are developed based on the best information available. The Foundation does not have any instruments meeting the criteria of Level 3 inputs.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Cash Equivalents

Value based on yields currently available on comparable securities of issuers with similar credit ratings.

Equity Securities and Mutual Funds

Valued at the closing price reported in the active market in which the investment is traded.

Alternative Investment

Valued at NAV as estimated by management based on fair values provided by external investment managers. Because these investments are not readily marketable, the estimated value is subject to uncertainty and, therefore, may differ from the value that would have been used had a ready market for the investments existed, and such difference could be material.

International OCD Foundation, Inc.

Notes to Financial Statements
Years Ended December 31, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies (continued)

Fair Value Measurement (continued)

Assets measured at fair value on a recurring basis at December 31, 2025:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Cash equivalents	\$ 5,526	\$ -	\$ -	\$ 5,526
Equity securities and mutual funds	1,074,594	-	-	1,074,594
Other alternative investments at NAV	-	-	-	11,380
Total Investments	<u>\$ 1,080,120</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,091,500</u>

Assets measured at fair value on a recurring basis at December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Cash equivalents	\$ 4,481	\$ -	\$ -	\$ 4,481
Equity securities and mutual funds	2,274,600	-	-	2,274,600
Other alternative investments at NAV	-	-	-	16,427
Total Investments	<u>\$ 2,279,081</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,295,508</u>

The Foundation's equity securities and mutual funds are measured using Level 1 inputs since the fair value can be determined based on other data values or market prices. The Foundation did not have any transfer of assets and liabilities between Levels 1, 2, and 3 during the years ended December 31, 2025 and 2024.

Assets and liabilities measured at fair value on a non-recurring basis are recognized at fair value subsequent to initial recognition when they are deemed to be impaired. The Foundation does not have any assets subject to measurement at fair value on a non-recurring basis.

Property and Equipment

The Foundation capitalizes expenditures for property and equipment in excess of \$2,500. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. Maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently. Property and equipment purchased by the Foundation is stated at cost. Donations of equipment are stated at their estimated fair value at the date of donation and recorded as unrestricted support unless the donor has restricted the donated asset to a specific purpose.

International OCD Foundation, Inc.

Notes to Financial Statements
Years Ended December 31, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies (continued)

Impairment of Assets

Financial Accounting Standards Board ("FASB") Accounting Standard Codification ("ASC") 360-10-35, Accounting for the Impairment or Disposal of Long-Lived Assets, requires the Foundation to review long-lived assets, such as property and equipment or intangible assets, for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be fully recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized in the amount by which the carrying amount of the asset exceeds the fair value of the asset. As of December 31, 2025 and 2024, the Foundation did not recognize any impairment.

Statement of Activities

For purpose of presentation, transactions deemed by management to be ongoing, major, or central to the mission of the Foundation are reported as revenue and expenses. Peripheral or incidental transactions are reported as non-operating activities.

Contributions and Grants

Contributions and grants, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is, at the time when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

In June 2018, FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958), Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. This ASU was issued to standardize how grants and other contracts received and made are classified across the sector, as either an exchange transaction or a contribution. The standard provides guidance to assist in the determination of whether a transaction is a contribution or an exchange transaction. If the transaction is deemed to be a contribution, the guidance provides factors to consider with regard to whether the contribution is conditional or unconditional. For contributions received, if determined to be an unconditional contribution, the determination will then need to be made as to whether the contribution is restricted. The ASU assists in the determination of the nature of the transaction which then governs the revenue and expense recognition methodology and timing of the transaction. The Foundation applies this standard in accounting for its contributions and grants.

International OCD Foundation, Inc.

Notes to Financial Statements
Years Ended December 31, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies (continued)

In-kind Contributions

The Foundation receives donated goods, services, and securities. Donated goods are reflected as contributions at the estimated fair value at the date of receipt if there is an objective basis for recording and assigning value to such donations. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation. Donated securities are estimated based on FMV of securities on the date of donation.

Numbers of unpaid volunteers, including members of the Board, have made significant contributions of their time to develop and promote the Foundation. The value of this contributed time is not reflected in these statements since it is not susceptible to objective measurement or valuation and such services do not meet the recognition criteria established by ASC 958-605.

See Note 13 for detailed in-kind contributions.

Revenue Recognition

The Foundation recognizes revenue in accordance with ASC Topic 606, Revenue from Contracts with Customers. Under ASC 606, revenue is recognized when control of promised goods or services is transferred to a customer in an amount that reflects the consideration to which the Foundation expects to be entitled in exchange for those goods or services. The Foundation will apply the following five-step model:

- Step 1: Identify the contract with a customer.
- Step 2: Identify the performance obligations in the contract.
- Step 3: Determine the transaction price.
- Step 4: Allocate the transaction price to the performance obligations in the contract.
- Step 5: Recognize revenue when (or as) the entity satisfies a performance obligation.

The Foundation derives its revenues from membership dues, conferences, Behavior Therapy Institute fees, and miscellaneous services. Revenue from membership dues is recognized over time as performance obligations are satisfied, which is ratably over the course of 12 months. Conferences, Behavior Therapy Institute fees and miscellaneous services are recognized at a point in time, when the Foundation has transferred the services.

International OCD Foundation, Inc.

Notes to Financial Statements

Years Ended December 31, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies (continued)

Revenue Recognition (continued)

As of December 31, 2025 and 2024, disaggregation of revenue from contracts with customers was as follows:

	<u>2025</u>	<u>2024</u>
Membership dues	\$ 488,879	\$ 428,392
Conferences	1,234,769	944,650
Behavior Therapy Institute fees	529,704	396,878
Miscellaneous services	29,379	43,735
	<u>\$ 2,282,731</u>	<u>\$ 1,813,655</u>

Contract Assets and Liabilities

In accordance with ASC 606, contract assets are to be recognized when an entity has the right to receive consideration in exchange for goods and services that have been transferred to a customer when that right is conditional on something other than the passage of time. Also, in accordance with ASC 606, contract liabilities are to be recognized when an entity is obligated to transfer goods or services for which consideration has already been received. The Foundation recognizes membership dues over the course of 12 months as the related membership period elapses. Accordingly, membership dues received that have yet to be earned are considered contract liabilities under ASC 606 until membership term elapses and the revenue is earned. As of December 31, 2025 and 2024, the Foundation's deferred revenue amounted to \$434,655 and \$237,856, respectively.

Membership Dues

All memberships run for a period of 12 months, and membership dues are recorded as unrestricted revenue during the period for which the membership applies.

Conference Revenue and Behavior Therapy Institute Revenue

The Foundation generates revenue from attendance fees, advertising, sponsorships, and booth rental from the Foundation's annual conferences and trainings. This is recognized as revenue in the period in which the conference takes place.

Advertising

Advertising costs are generally expensed in the period incurred. Advertising expense amounted to \$93,482 and \$55,824, respectively, for the years ended December 31, 2025 and 2024, and is included on the statements of functional expense.

International OCD Foundation, Inc.

Notes to Financial Statements
Years Ended December 31, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies (continued)

Income Taxes

The Foundation is a not-for-profit organization and is exempt from income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. Accordingly, no provision for income taxes is reflected in the accompanying statements of activities.

Under ASC 740, an organization must recognize the financial statement effects of a tax position taken for tax return purposes when it is more likely than not that the position will not be sustained upon examination by a taxing authority. The Foundation does not believe it has taken any material uncertain tax positions, and accordingly, it has not recorded any liability for unrecognized tax benefits. For the years ended December 31, 2025 and 2024, there were no interest or penalties recorded or included in the statements of activities.

Subsequent Events

In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition through July 28, 2026, the date the financial statements were available to be issued.

Note 3 - Cash and Cash Equivalents and Restricted Cash

Cash and restricted cash equivalents as of December 31, 2025 and 2024 consist of the following:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 1,294,090	\$ 1,421,436
Restricted cash	368,836	586,785
	<u>\$ 1,662,926</u>	<u>\$ 2,008,221</u>

Note 4 - Investments

Investments are comprised of the following as of December 31, 2025:

<u>Asset Class</u>	<u>Fair Value</u>	<u>Cost</u>	<u>Accumulated Unrealized Gain</u>
Mutual funds	\$ 247,060	\$ 192,894	\$ 54,166
	<u>\$ 247,060</u>	<u>\$ 192,894</u>	<u>\$ 54,166</u>

International OCD Foundation, Inc.

Notes to Financial Statements Years Ended December 31, 2025 and 2024

Note 4 – Investments (continued)

Investments are comprised of the following as of December 31, 2024:

<u>Asset Class</u>	<u>Fair Value</u>	<u>Cost</u>	<u>Accumulated Unrealized Gain</u>
Mutual funds	<u>\$ 1,442,519</u>	<u>\$ 1,088,687</u>	<u>\$ 353,832</u>
	<u>\$ 1,442,519</u>	<u>\$ 1,088,687</u>	<u>\$ 353,832</u>

Investment income (loss) from investments for the years ended December 31, 2025 and 2024 were comprised of the following:

	<u>2025</u>	<u>2024</u>
Net realized and unrealized gain (loss)	\$ 41,761	\$ (90,084)
Interest and dividend income	<u>85,991</u>	<u>70,057</u>
	<u>\$ 127,752</u>	<u>\$ (20,027)</u>

Note 5 – Beneficial Interest in Charitable Remainder Trust

The Foundation has a beneficial interest in a charitable remainder trust. A charitable remainder trust provides for the payment of distributions to the grantor or other designated beneficiaries over the trust's term, which is the designated beneficiary's lifetime. At the end of the trust's term, the remaining assets will be transferred by a third-party trustee to the Foundation. The Foundation initially recorded the present value of the estimated future benefit to be received as an asset and as a time-restricted contribution based on a discount rate of 3.20% and certain internal assumptions, such as the anticipated rate of investment return and the mortality of the beneficiary. The value of the asset is adjusted in subsequent years based on factors such as changes in life expectancy, market conditions, and normal amortization. The Foundation recorded an increase of \$134,647 and a decrease of \$11,272 in the value of its interest in the charitable remainder trust in the statements of activities for the years ended December 31, 2025 and 2024, respectively. The fair value of the interest in the charitable remainder trust for the years ended December 31, 2025 and 2024 amounted to \$526,172 and \$391,525, respectively.

Note 6 – Assets Whose Use is Limited or Restricted

Assets whose use is limited or restricted as of December 31, 2025 and 2024 consist of the following:

	<u>2025</u>	<u>2024</u>
Cash equivalents	\$ 5,526	\$ 4,481
Alternative investments	11,380	16,427
Equity securities and mutual funds	827,534	832,081
Beneficial interest in charitable remainder trust	<u>526,172</u>	<u>391,525</u>
	<u>\$ 1,370,612</u>	<u>\$ 1,244,514</u>

International OCD Foundation, Inc.

Notes to Financial Statements Years Ended December 31, 2025 and 2024

Note 7 – Property and Equipment

A summary of the major components of property and equipment as of December 31, 2025 and 2024 are as follows:

	<u>2025</u>	<u>2024</u>
Furniture and equipment	\$ 63,899	\$ 63,899
Program equipment	73,224	73,224
Website redesign	<u>52,224</u>	<u>52,224</u>
	189,347	189,347
Accumulated depreciation	<u>(189,347)</u>	<u>(189,347)</u>
Property and equipment, net	<u>\$ -</u>	<u>\$ -</u>

The Foundation did not record any depreciation expense for the years ended December 31, 2025 and 2024.

Note 8 – Financial Assets and Liquidity Resources

Financial assets consist of cash, investments and contributions receivable expected to be collected within one year of the statements of financial position. General expenditures consist of operating expenses and capital expenditures not financed with debt.

As of December 31, 2025 and 2024, financial assets available within one year for general expenditure were as follows:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 1,294,090	\$ 1,421,436
Contributions receivable (non-donor restricted)	197,896	102,771
Investments (non-donor restricted)	<u>247,060</u>	<u>1,442,519</u>
Total financial assets available within one year	<u>\$ 1,739,046</u>	<u>\$ 2,966,726</u>

The Foundation maintains a policy of structuring its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

International OCD Foundation, Inc.

Notes to Financial Statements

Years Ended December 31, 2025 and 2024

Note 9 – Endowments

The Foundation's endowment includes donor restricted endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring realized and unrealized gains of net assets with donor restrictions to be retained in a net assets with donor restrictions classification until appropriated by the Foundation's Board of Directors and expended. UPMIFA allows the Board of Directors to appropriate as much of the net appreciation of net assets with donor restrictions as is prudent considering the Foundation's long-term and short-term needs, present and anticipated financial requirements, expected total return on investments, price-level trends, and general economic conditions as long as the amounts appropriated are expended on their restricted purpose.

Under the policy of the Foundation, the endowment assets are invested conservatively with the intent of providing a predictable stream of funding to the Foundation. The Foundation invests in cash equivalents, equity securities, and alternative investments to achieve its long-term return objectives within limited risk constraints.

Changes in endowment assets for the years ended December 31, 2025 and 2024, were as follows:

	<u>2025</u>	<u>2024</u>
Endowment assets, beginning of year	\$ 852,989	\$ 777,220
Realized and unrealized gain on investments	116,451	75,769
Withdrawals	(125,000)	-
Endowment assets, end of year	<u>\$ 844,440</u>	<u>\$ 852,989</u>

Note 10 – Leases

Operating Lease

The Foundation leases office space in Boston, Massachusetts, under an operating lease agreement expected to expire in May 2031.

The amounts recognized as a right-of-use asset and lease liability related to the operating lease agreement are included in the accompanying statements of financial position. As of December 31, 2025 and 2024, the right-of-use asset and lease liability related to the operating lease were as follows:

	<u>2025</u>	<u>2024</u>
Operating lease right-of-use assets, net	<u>\$ 1,237,456</u>	<u>\$ 1,455,238</u>
Operating lease liabilities:		
Current portion of operating lease liabilities	\$ 227,522	\$ 218,895
Long-term portion of operating lease liabilities	<u>1,111,154</u>	<u>1,338,676</u>
Total operating lease liabilities	<u>\$ 1,338,676</u>	<u>\$ 1,557,571</u>

International OCD Foundation, Inc.

Notes to Financial Statements Years Ended December 31, 2025 and 2024

Note 10 – Leases (continued)

The amounts recognized as rent expense on the statements of activities for operating leases for the years ended December 31, 2025 and 2024 were as follows:

	<u>2025</u>	<u>2024</u>
Rent expense:		
Right-of-use asset lease	<u>\$ 250,988</u>	<u>\$ 246,570</u>
Total rent expense	<u>\$ 250,988</u>	<u>\$ 246,570</u>

Supplemental cash flow information for the years ended December 31, 2025 and 2024, are as follows:

	<u>2025</u>	<u>2024</u>
Cash paid for amounts included in the measurement of lease liabilities	<u>\$ 218,895</u>	<u>\$ 210,407</u>
Weighted-average remaining lease term	5.42 years	6.42 years
Weighted-average discount rate:	1.63%	1.63%

The future minimum payments due under the operating lease agreement as of December 31, 2025 are as follows:

Year ended December 31,	
2026	\$ 247,322
2027	252,310
2028	257,298
2029	262,286
2030	267,274
Thereafter	<u>112,230</u>
	1,398,720
Less: effects of discounting	<u>(60,044)</u>
Operating lease liability recognized	<u>\$ 1,338,676</u>

International OCD Foundation, Inc.

Notes to Financial Statements Years Ended December 31, 2025 and 2024

Note 11 –Donor Imposed Restricted Net Assets

Net assets with donor restrictions as of December 31, 2025 consist of the following:

	<u>2025</u>	<u>2024</u>
Research	\$ 1,276,097	\$ 1,175,116
Conference scholarships	21,444	36,741
Walk sponsorship	-	58,427
Beneficial interest in remainder trust	526,172	391,525
Investments to be held in perpetuity, the income from which is expendable to support Foundation's research grants and Behavioral Therapy Training Institute ("BTI")	<u>969,440</u>	<u>852,989</u>
	<u>\$ 2,793,153</u>	<u>\$ 2,514,798</u>

As of December 31, 2025 and 2024, none of the net assets with donor restriction were used for unrestricted purposes prior to fulfilling the donor restrictions. For the years ended December 31, 2025 and 2024, net assets totaling \$796,268 and \$1,154,472, respectively, were released from donor restrictions for research projects.

Note 12 –Concentration of Risks

Financial instruments that potentially subject the Foundation to concentrations of credit risk consist principally of cash and receivables. The Foundation places its cash primarily in bank deposit and investment accounts. The investment accounts are not federally insured and the bank balances may exceed FDIC insured limits (\$250,000) from time to time during the year. The Foundation has not experienced any losses in such accounts and believes it is not exposed to significant credit risks on cash and cash equivalents.

The Foundation received significant support from some donors. A summary of significant donors with respect to contributions receivable as of December 31, 2025 and 2024 are as follows:

	<u>2025</u>	<u>2024</u>
Donor A	57%	*
Donor B	13%	43%
Donor C	13%	*
Donor D	*	43%

*Donor did not exceed 10% of contributions receivable.

International OCD Foundation, Inc.

Notes to Financial Statements

Years Ended December 31, 2025 and 2024

Note 12 –Concentration of Risks (continued)

The Foundation received significant contributions and grants support from some donors. A summary of significant donors with respect to contribution and grants support as of December 31, 2025 and 2024 are as follows:

	<u>2025</u>	<u>2024</u>
Donor A	23%	*
Donor B	*	24%

*Donor did not exceed 10% of contributions & grant support.

Note 13 – In-Kind Contributions

During fiscal years ended December 31, 2025 and 2024, the Foundation received various noncash donated goods, services, and securities.

The Foundation's donated assets are comprised of the following for the year ended December 31, 2025:

<u>Nonfinancial Asset</u>	<u>Amount</u>	<u>Usage in Program / Activities</u>	<u>Fair Value Techniques</u>
Travel expenses	\$ 2,287	Board of Directors meetings	Estimated based on actual expenses provided by Board of Directors
Facility use	9,558	BTTI meeting space	Estimated based on current rates of facility
Donations expensed	<u>11,845</u>		
Securities	29,447	Donated securities recorded under investment	Estimated based on FMV of securities on the date of donation
Donated securities	<u>\$ 29,447</u>		

International OCD Foundation, Inc.

Notes to Financial Statements Years Ended December 31, 2025 and 2024

Note 13 – In-Kind Contributions (continued)

The Foundation's donated assets are comprised of the following for the year ended December 31, 2024:

Nonfinancial Asset	Amount	Usage in Program / Activities	Fair Value Techniques
Travel expenses	\$ 7,702	Board of Directors meetings	Estimated based on actual expenses provided by Board of Directors
Consulting services	7,987	Faculty honorarium	Estimated based on current rates provided by various providers
Fundraising event goods and services	1,988	Walk in donations	Estimated based on current rates provided by various providers
Facility use	4,785	BTTI meeting space	Estimated based on current rates of facility
Donations expensed	<u>22,462</u>		
Securities	101,696	Donated securities recorded under investment	Estimated based on FMV of securities on the date of donation
Donated securities	<u>\$ 101,696</u>		

Note 14 - Employee Benefit Plans

The Foundation maintains a qualified 401(k) plan under Section 401(k) of the Code that covers substantially all full-time employees. The Foundation makes an annual safe-harbor contribution based on 3% of each eligible employee's compensation. Additional matching contributions are made at the discretion of the board of trustees. As of December 31, 2025 and 2024, contribution expense for the defined contribution retirement plan amounted to \$66,641 and \$56,037, respectively, and is included in employee benefits expense.

Note 15 – Risks and Uncertainties

In the normal course of business, various claims and legal actions are brought against the Foundation. During 2025, a former employee of the Foundation filed a claim alleging wrongful termination. The Foundation believes that it had legitimate grounds for the termination, complied with applicable labor laws, and is planning to defend itself against the claim. Legal counsel has been engaged, and the Foundation does not believe the claim will have any financial impact as of July 28, 2026, the date the financial statements were available to be issued.
